IMPORTANT NOTES

The Global Bond Fund is an Investment-Linked Plan (ILP) fund issued by NTUC Income Insurance Co-operative Limited (Unique Entity Number No. S97CS0162D), a co-operative society registered in Singapore and having its registered address office at 75 Bras Basah Road, NTUC Income Centre, Singapore 189557. The information in this fund factsheet is for informational use only. A product summary relating to the fund is available and may be obtained through NTUC Income. A potential investor should read the product summary before deciding whether to subscribe for units in the fund. Investments are subject to investment risks including the possible loss of the principal amount invested. Past performance, as well as the prediction, projection or forecast on the economy, securities markets or the economic trends of the markets targeted by the fund are not necessarily indicative of the future or likely performance of the fund. The fund returns are calculated on the assumption that all dividends and distributions are reinvested, taking into account all charges which would have been payable upon such reinvestment. The performance of the fund is not guaranteed and the value of units in the fund and the income accruing to the units, if any, may fall or rise. Any opinion or estimate contained in this document is subject to change without notice.

[1] Effective 2 July 2018, the custodian of the sub-fund is The Bank of New York Mellon.
