# Personal data collection statement

Income recognises its obligations under the Personal Data Protection Act 2012 (PDPA) which include the collection, use and disclosure of personal data for the purpose for which an individual has given consent to.

The personal data collected by Income includes all personal data provided in this form, or in any document provided, or to be provided to us by you or your insured persons or from other sources, for the purpose of this insurance application or transaction. It includes all personal data for us to evaluate or administer this application or transaction. For example, if you are applying for an insurance policy, in addition to the personal data provided in the application form, the personal data will also include any subsequent information we collect on health or financial situation, or any information that is necessary for us to decide whether to insure and on what terms to insure, such as test results, medical examination results, and health records from medical practitioners or other insurance companies.

You may not alter any of the wording in this 'Personal data collection statement'. Any attempt to do so will be of no effect.

#### 1. Purpose of collection

We may collect and use the personal data to:

# 3. Consequence of withdrawing consent to the collection, use and disclosure of personal data

You may refuse or withdraw your consent for us to collect, use or disclose your personal data and your insured persons' personal data by giving us reasonable notice so long as there are no legal or contractual restrictions preventing you from doing so. For example, you may withdraw your consent for your personal data to be used for marketing purposes, and this withdrawal will not affect our ability to provide you with the products and services that you asked for or have with us. But if you withdraw your consent for us to use your personal data for your insurance matters, this will affect our ability to provide you with the products and services that you asked for or have with us, including preventing us from keeping your insurance cover in force or properly assessing and processing your claim. Withdrawing such consent will require you to surrender or terminate all your policies with us.

# 4. Access and correction rights

You can request access to any personal data of yours that we have, and request to know how it is being used and disclosed for the last 12 months to the extent your right is allowed by law. If we allow you access, we may charge you a reasonable fee. You also have the right to request correction of your personal data. For any request to access or correct your personal data, please write to: The Data Protection Officer, Income Centre, 75 Bras Basah Road, Singapore 189557 or email to DPO@income.com.sg.

I may withdraw my above consent by contacting Income Contact Centre at 6788 1777 or consentwithdrawal@income.com.sg.

# **Declaration and authorisation**

Where the declaration and authorisation below applies to me:

I agree to tell you as soon as possible if there is any change in the state of my health or the insured's health or if I or they plan to have any medical consultation, investigation or treatment between the date of this application and before the date you issue the policy. I understand that you may add terms, including limiting or reducing the insurance cover or sum assured of this proposal according to the information I have given.

I declare that the information and answers given in this application are true, correct and complete. I accept full responsibility for them whether written by me or by anyone else on my behalf. I have not withheld any information. I agree that this application and other written answers, statements, information or declarations I have made or which have been made on my behalf will form the basis of the contract of insurance between me and you. If anything is untrue, incorrect or incomplete, the insurance policy you issue will not be valid. I agree that your legal responsibility will only begin when you accept this application and the first premium has been paid in full and cover will apply from the start date in the insurance policy issued to me.

I agree and authorise any doctor, insurer or organisation to release to you, and you to release to any doctor, insurer or organisation, any relevant information to do with me and the insured at any time, whether you accept or refuse this application. This authorisation is for the purpose of this application or any other purpose relating to this policy. A photocopy of this authorisation is valid as an original copy.

I confirm that I understand and agree to the 'Personal data collection statement'.

I am aware that I can ask for advice from an insurance adviser before I sign this application. If I choose not to, I will make sure that this product is appropriate for my financial needs and insurance objectives.

I understand that it is usually not a good idea for me to replace an existing investment product (for example life policy/ investment-linked policy/ unit trust) with a new investment product, whether from the same or a different financial institution. I further understand that some of the disadvantages of replacement are:

- a) the insured or I may not be able to obtain a similar level of protection on the same terms;
- b) the insured or I may not be insurable on standard terms;
- c) I may have to pay a higher premium in view of a higher age; and
- d) I will lose financial benefits built up over the years.

I have read and understood the product summary that is found on www.income.com.sg.

I have read Your Guide to Life Insurance or Your Guide to Health Insurance (if this applies) found on www.lia.org.sg.

I agree that if I or any \*Relevant Person is found to be a \*Prohibited Person, you are entitled not to accept this application. If any policy is issued, you can terminate or void the policy, or not make any transaction under the policy such as not pay any benefit. Your decision will be final. I will inform you immediately if there is any change in my or any Relevant Person's identity, status or identification documents.

- \* Relevant Person includes insured, trustee, assignee, beneficiary, beneficial owner or nominee and mortgagee or financier.
- \* Prohibited Person means a person or entity who is subject to laws, regulations or sanctions administered by any governmental or regulatory authorities or law enforcement in any country, which will prohibit you from providing insurance cover or paying any benefit.

I agree that the policy will be entered in the Register of the Singapore policies.

I authorise you to charge the premiums due for the insured person (or people) named in this application and who are covered under this plan to my OCBC Plus! or NTUC Plus! Visa credit- or debit-card.

I am aware that the policy will end if I am no longer the cardholder of an OCBC Plus! or NTUC Plus! Visa credit- or debit-card issued by OCBC Bank.

#### Warning

You must give all the facts truthfully when you make this application. You must also tell us immediately if there is any change in the state of health of the life to be insured or if the life to be insured is planning to have any medical consultation, investigation or treatment before the start date of this cover. If you fail to reveal any material information in this application, you may not receive any benefits under your policy. If you are in doubt as to whether a fact is material, you should reveal it anyway. This includes any fact which you may have given to the adviser but is not written in this application. Please check to make sure you are fully satisfied with the information in this application.
