Conditions for Limited Pay Protection

Your policy

This is a whole-life insurance protection plan. Its value will increase by **us** adding regular bonuses.

We will pay benefits if the insured becomes **totally and permanently disabled** (before the age of 70) or dies.

You may cash in this policy. However, this policy is designed to provide the best value in the long term, so **you** should consider this carefully. **We** recommend that **you** get financial advice.

1 What your policy covers

If the insured becomes **totally and permanently disabled** (before the age of 70) or dies, **we** will pay the sum assured and bonuses. The policy will end when **we** make this payment.

2 Our responsibilities to you

a Cash value and paid-up policy

When **you** have been paying premiums for this policy for at least two years, **you** may cash in this policy for its **cash value** and it will end.

You can also convert this policy to a **paid-up** policy. This will reduce the sum assured and **you** will not pay any further premiums. **You** will keep any bonuses added to this policy before the date **you** convert it. If **we** declare any future bonuses

on this policy, they will be based on the reduced sum assured.

We may review and revise the way **we** work out the **cash value** and the **paid-up** sum assured.

b Loans

You may take a loan from this policy depending on **our** terms and conditions. **We** will take all loans and their interest from any amount **we** may be due to pay under this policy. If at any time the amount of the loans and interest is more than the **cash value**, this policy will end.

You may repay all or part of the loan at any time. The interest charged on the loan will be based on the rate agreed at the time **you** took the loan. **We** may change the interest rate at any time by giving **you** 30 days' notice.

c Bonuses

You have bought a participating policy from **us** and it forms part of the Life Participating Fund. This policy will share in the profits and losses from this fund as **we** add bonuses. There are two types of bonuses.

- **We** add an 'annual' or 'reversionary' bonus to this policy each year. Once **we** have added an annual bonus, **we** cannot remove it.
- The 'terminal' or 'special' bonus is an extra bonus which **we** pay at the time of making a claim or if **you** cash in this policy.

Bonuses are not guaranteed. They are recommended by **our** appointed actuary and approved by **our** board of directors. This policy will become eligible for bonuses after two years from the **policy entry date**.

3 Your responsibilities

You will pay your first premium at the time **you** apply for this policy. **You** will then pay future premiums when they are due. **You** will have 30 days as a period of grace to make these payments for this policy to continue. If **we** are due to pay any benefits during this period, **we** will take off any unpaid premiums from the benefits.

If **you** still have not paid the premium after the period of grace, **we** will pay the premiums on your behalf so the policy and its riders can continue. **We** will only do this if the policy has enough **cash value** to repay them. **We** treat this as a loan (called an automatic premium loan) and charge **you** interest. If there is not enough **cash value**, this policy will end.

We will take these loans and interest from any amount **we** may be due to pay under this policy. If at any time the amount of the loans and interest is more than the **cash value**, this policy will end.

If this policy ends because there is not enough **cash value**, **you** can reinstate it within 36 months by paying the premiums **you** owe along with interest. This applies as long as **you** give **us** satisfactory proof of the insured's good health and there is no change in the risks covered by this policy.

4 What you need to be aware of

a Suicide

This policy is not valid if the insured commits suicide within one year from the **cover start date**.

We will refund the total premiums paid, without interest, from the **cover start date**.

b Total and permanent disability (TPD) benefit

Under the definition of **TPD**, if the insured is under 65 years old, he or she must be unable to carry out any occupation. **We** do not pay if the insured is merely unable to perform the same job as before, or is unable to perform a job to which his or her training, education or experience is suited for.

If the insured is 65 years old and above, but under 70 years old, he or she must be suffering from a **severe disability**. Otherwise, **we** will not pay the benefit.

However, if there is **total physical loss**, and the insured is under 70 years old, **we** will pay.

We will not pay this benefit if your claim arises from:

- deliberate acts such as self-inflicted injuries, illnesses or attempted suicide;
- unlawful acts, provoked assault or deliberate exposure to danger; or
- the effects of alcohol, drug or any dependence.

We will also not pay this benefit unless the insured is certified by a **registered medical practitioner** to have been **totally and permanently disabled** for at least six months in a row.

If the insured is also covered for **TPD** under any policies which have been issued in the past (whether issued by **us** or by any other insurer), the total **TPD** benefit due under all these policies cannot be more than S\$6.5 million (not including bonuses). In this case **we** will first take into account the amounts due under the earlier

policies, and then pay out only an amount to bring the total payments to S\$6.5 million (not including bonuses). The cover for death will be reduced by the **TPD** payment, and this remaining cover will continue as long as **you** pay premiums on it. **We** will work out the remaining cover as well as the reduced premium **you** will need to pay for this remaining cover.

c Making a claim

We must be told within six months after the diagnosis or the event giving rise to the claim.

d Refusing to pay a claim

After **you** have been continuously covered for one year from the **cover start date**, **we** will pay your claim unless:

- it is a case of fraud;
- **you** fail to pay a premium;
- the insured has a **material pre-existing condition**; or
- the claim is excluded or not covered under the terms of the policy.

e Transferring the legal right of the policy

You cannot assign (transfer) this policy unless **you** tell **us** in writing and **we** agree to the assignment.

f Excluding third-party rights

Anyone not directly involved in this policy cannot enforce it under the Contracts (Rights of Third Parties) Act (Chapter 53B).
